

AIASB Architectural Design Awards Exhibit

February 1st - May 14th 2010 - Channing Peake Gallery, Santa Barbara

SPONSORSHIP OPPORTUNITIES!!!

AIA SB Chapter Members,

The SB Chapter AIA Design Awards Exhibit is scheduled to open in the Channing Peake Gallery on February 1st and run through May 14th 2010. There will be an Exhibit Opening Party on Thursday evening February 4th from 5:00 to 8:00 PM that will be hosted with refreshments and light hors d'oeuvres.

This is a GREAT OPPORTUNITY for you, your Firm, your Client, your Consultants, Contractor, Sub-Contractor, or Material Suppliers or other interested parties who may have participated on any of the Award Entries to be acknowledged and recognized. This is also a unique opportunity where all AIA Members can help get the word out that "DESIGN MATTERS" in Santa Barbara and to help solicit sponsorship support for the AIA Design Awards Exhibit. The Exhibit will display the work of ALL AWARD ENTRIES from within our chapter and will offer a unique venue to recognize companies or individuals desiring greater community exposure within the AIA, with the local design community or with anyone who may be touring the downtown Santa Barbara gallery exhibit.

We would like to request that each AIA member in our Chapter contact at least 3 individuals or companies who you feel may be interested in helping to sponsor this AWARDS EXHIBIT. Please feel free to forward them this information and ask that they contact Evangeline Benchek, Executive Director at AIA Santa Barbara, 229 East Victoria Street, Santa Barbara, CA 93101, (805) 966-4198 www.aiasb.com regarding their level of interest and sponsorship. We have just a few weeks to finalize sponsorship opportunities and we need to hear back from potential sponsors ASAP. Sponsorship opportunities are listed on the attached flyer and the entire Chapter and all award entries will benefit from the increased exposure made possible by the generous sponsorship of your contacts, contractors and consultants.

Please see the attached list of sponsorship opportunities and make your contacts directly.
